## SUMMARY

Web Developer with strong interest in building scalable and user-focused web applications. Skilled in MERN Stack development, REST APIs, and responsive UI design. Actively practicing Data Structures and Algorithms in Java with strong understanding of OOP concepts and backend architecture.

## TECHNICAL SKILLS

**Languages:** Java, JavaScript (ES6+), C, C++, HTML, CSS  
**Frontend:** React.js, Tailwind CSS, Bootstrap  
**Backend:** Node.js, Express.js  
**Database:** MongoDB  
**Tools:** Git, GitHub, Postman, VS Code, Gemini AI  
**Core CS:** Data Structures & Algorithms, OOPs, REST APIs, Basic System Design

## EXPERIENCE

**Web Developer Intern**  
*Elevate Labs*

Nov 2025 – Dec 2025  
*Remote*

- Worked on real-world web applications using HTML, CSS, JavaScript, React.js, and backend technologies.
- Converted client requirements into responsive and reusable UI components with optimized performance.
- Improved responsiveness, cross-browser compatibility, and overall frontend user experience.

## PROJECTS

**AI Powered Learning Management System + Student Hub** | *MERN Stack, OpenAI API, JWT*

[Live](#)

- Developed a full-stack AI-powered LMS with secure JWT authentication, role-based dashboards, and course management features.
- Integrated AI modules including Resume Analyzer, Quiz Generator, Study Planner, and Personalized Roadmap Generator.
- Built scalable REST APIs and responsive frontend using React.js, Node.js, Express.js, MongoDB, and Tailwind CSS.

**AI Virtual Assistant** | *Node.js, Express.js, OpenAI API*

[Live](#)

- Built an AI-powered virtual assistant supporting intelligent chat, image generation, and real-time smart responses.
- Implemented backend APIs and prompt handling workflows for scalable AI interactions and automation.

**Freelancing Platform** | *React.js, Node.js, MongoDB*

[Live](#)

- Developed a freelance marketplace platform with secure authentication, project posting, and bidding functionality.
- Designed responsive dashboards and scalable backend APIs for efficient project and user management.

## EDUCATION

**Shri Ram Institute of Technology, Jabalpur**  
*Bachelor of Technology in Computer Science & Engineering*

2023 – 2027  
*CGPA: 8.04*

## ACHIEVEMENTS & CERTIFICATIONS

- First Prize – TechnoGenesis Tech Fest 2025
- Cisco Packet Tracer Certification (Networking Essentials)
- NPTEL Certification – Programming in Java
- Oracle Certification – Generative AI Fundamentals
